NOTICE OF CANCELLATION

BOARD OF HARBOR COMMISSIONERS SEPTEMBER 9, 2026 REGULAR MEETING

Please be advised that, at the direction of the Chairman and with the concurrence of the Board, the Regular Meeting of the Crescent City Harbor District Board of Harbor Commissioners previously scheduled for September 9, 2026, has been cancelled.

At its August 26, 2026 meeting, the Board discussed the District's ongoing dredging challenges and an important series of meetings scheduled for the week of September 7 involving stakeholders from throughout California. These meetings are being conducted in Sacramento and will provide a valuable opportunity throughout the week for District representatives to engage with legislators, advocates, and representatives of other California harbor districts facing similar regulatory and financial challenges associated with dredging.

The Board concurred that, because dredging remains one of its highest priorities, staff resources during that week should be focused on this statewide effort being coordinated in Sacramento in lieu of preparing for and conducting the September 9 regular meeting. Harbor Commissioners will also be participating in these efforts related to dredging during the week. The Board also recognized that the Labor Day week would result in reduced availability for some members of the public.

Nonetheless, in order to keep the public informed during the longer interval between regular meetings resulting from the cancellation, the District will distribute a written briefing update on or before September 9 providing information on current Harbor activities, projects, and other matters of public interest.

The next Regular Meeting of the Board of Harbor Commissioners is scheduled for September 23, 2026, at 2:00 p.m., unless otherwise noticed.

For questions, please contact the Crescent City Harbor District at (707) 464-6174.
