

**AGREEMENT FOR PROFESSIONAL SERVICES  
BETWEEN THE CRESCENT CITY HARBOR DISTRICT  
AND  
COMMUNITY SYSTEM SOLUTIONS**

This Agreement for Professional Services (“Agreement”) is made and entered into this 1st day of October 1, 2025 by and between the Crescent City District Harbor District, a special district organized pursuant to the California Harbors and Navigation Code (“District”) and Community System Solutions, a California Public Benefit Corporation (“Consultant”). District and Consultant are sometimes referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

**RECITALS**

District is in need of professional services for grant management services (“the Project”).

Consultant has the necessary qualifications to provide such services for the Project.

Consultant has successfully written \$21 million in grant applications for the CCHD that have been awarded funding by state and federal agencies in 2022, 2023, 2024 and 2025.

The Parties desire to establish the terms for the District to retain the Consultant in order to provide the services described herein.

**NOW, THEREFORE, IT IS AGREED AS FOLLOWS:**

**Services**

Consultant shall provide the District with the services described in the Scope of Services attached hereto as Exhibit ‘A’ and hereby made a part of this Agreement; provided, however, that the contents of this Agreement shall supersede any provision in Exhibit ‘A’ that is inconsistent herewith.

**Compensation**

Subject to paragraphs 2(b) - (d) below, District shall pay for the services provided by Consultant in accordance with the Schedule of Charges set forth in Exhibit ‘B’ attached hereto and hereby made a part of this Agreement; provided, however that the contents of this Agreement shall supersede any provision in Exhibit ‘B’ that is inconsistent herewith.

In no event shall the total amount paid for services rendered by Consultant pursuant to this Agreement exceed the sum of Forty-Five Thousand Dollars (\$45,000). This Agreement is subject to and contingent on budgetary appropriations being approved by the District’s Board of Harbor Commissioners

for each fiscal year during the term of this Agreement. If such appropriations are not approved, the Agreement will be immediately terminated without penalty to the District.

Each month Consultant shall furnish District with an invoice for all work performed and expenses incurred during the preceding month. The invoice shall detail charges by categories, including labor, travel, materials, equipment, supplies, sub-consultant charges and miscellaneous expenses. District shall independently review each invoice submitted to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. In the event that no charges or expenses are disputed, the invoice shall be approved and paid according to the terms set forth in paragraph 2(d). In the event any charges or expenses are disputed, the invoice shall be returned to the Consultant for correction and resubmission.

Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within thirty (30) days of receipt of Consultant's invoice; provided however, that untimely invoices may be subject to nonpayment if funding has not been appropriated or budgeted for payment of the invoice due to Consultant's untimely submission. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in the work performed by Consultant.

### **Term of Agreement and Time of Performance**

Consultant shall perform its services hereunder in a prompt and timely manner. Consultant is prepared to start work immediately. Work shall commence upon authorization from the District. The term of this Agreement shall be for a period of six (6) months from the date of execution of this Agreement unless terminated sooner pursuant to the provisions of this Agreement or when the services are complete. Such term may be extended upon written agreement of both District and Consultant.

### **Additional Work**

Consultant shall not be compensated for any services outside of the Scope of Services, except as provided in this paragraph. If changes in the work seem merited by Consultant or the District, a change in the scope of the work shall be processed by the District in the following manner: (1) a letter outlining the changes shall be forwarded to the District by Consultant with a statement of estimated changes in fee or time schedule, (2) an amendment to this Agreement shall be prepared by the District and executed by both parties before performance of such services or the District will not be required to pay for the changes in the scope of work. Such amendment shall not render ineffective or invalidate unaffected portions of this Agreement.

### **Maintenance of Records**

Books, documents, papers, accounting records, and other evidence pertaining to work done and costs incurred pursuant to this Agreement shall be maintained by Consultant and made available for inspection, audit and copying by the District at all reasonable times during the term of this Agreement and for four (4) years from the date of final payment under the Agreement.

### **Ownership and Use of Work**

All documents and materials prepared pursuant to this Agreement shall be considered the property of District, and will be turned over to District upon demand, but in any event upon completion of the work. District reserves the right to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data or other documents and materials prepared under this Agreement without the permission of Consultant. All documents and materials shall be delivered in a reproducible form. As used herein, "documents and materials" include, but are not limited to, any original maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, and computer files prepared or developed pursuant to this Agreement.

### **Delays in Performance**

Neither the District nor Consultant shall be considered in default of this Agreement for delays in performance caused by circumstances beyond the reasonable control of the non-performing party. For purposes of this Agreement, such circumstances include but are not limited to, abnormal weather conditions; floods; earthquakes; fire; epidemics; pandemics; war; riots and other civil disturbances; strikes, lockouts, work slowdowns, and other labor disturbances; sabotage or judicial restraint.

Should such circumstances occur, the non-performing party shall, within a reasonable time of being prevented from performing, give written notice to the

other party describing the circumstances preventing continued performance and the efforts being made to resume performance of this Agreement.

### **Compliance with Law**

Consultant shall comply with all applicable laws, ordinances, codes and regulations of the federal, state and local government. If Consultant's failure to comply with applicable laws, ordinances, codes and regulations results in a claim for damage or liability to District, Consultant shall be responsible for indemnifying and holding the District harmless as provided in this Agreement.

Consultant shall assist the District, as requested, in obtaining and maintaining all permits, if any, required of Consultant by federal, state and local regulatory agencies.

### **Standard of Care**

### **Independent Consultant**

No employee or agent of Consultant shall by this Agreement become an agent or employee of the District.
