28 January, 2019

Ms. Michelle Siebal
State water Resources Control Board
Division of Water Rights
Water Quality Certification Program
P. O. Box 2000
Sacramento, CA 95812-2000

Dear Ms. Siebal,

The Board of Harbor Commissioners of the Crescent City Harbor District wishes to voice their support for the removal of the dams located on the Klamath River.

The Board of Harbor Commissioners further supports the Klamath River Renewal Corporation's (KRRC) application to the State Water Board for a Clean Water Act section 401 certification for the Federal Energy Regulatory Commission Project No. 14803 license surrender of the Lower Klamath Project.

The beneficial results of the dam removal project include positively affecting the water quality of the Klamath River and by doing so, taking an historic step toward restoring traditional salmon runs. Dam removal is crucial to restoring the natural ecosystem that existed before construction of the dams.

Thank you for this opportunity to express our support for the project.

Sincerely,

James Ramsey, President

D. Review and Approve Appreciation Letter and Direct Staff to Send. Appreciation letter to Del Norte County Road Crew for their help in removing debris from Anchor Way following January storm.

February 5, 2019

Jeff Daniels, Road Superintendent
Del Norte County
Community Development Department
Roads Division
500 East Cooper Avenue
Crescent City, CA 95531

Mr. Daniels and Staff:

The Board of Harbor Commissioners would like to recognize the County of Del Norte's Community Development Department, Roads Division for its assistance in cleaning debris from Anchor Way in the Crescent City Harbor District after the January 2019 storm. Your crew worked diligently alongside Caltrans and Harbor staff to get Anchor Way cleared after storm debris shut the road down. That work helped get the Harbor back up and running ahead of the busy crab season opener. The Board is eternally grateful for the County's quick response to the Harbor's request for assistance.

On behalf of the Board, Harbor staff, tenants, visitors, fisherman, and the community, we thank you.

Sincerely,

Board of Harbor Commissioners

cc: Heidi Kunstal, Community Development Director

E. Review and Approve Appreciation Letter and Direct Staff to Send. Appreciation letter to Caltrans on Anchor Way debris removal following January storm.

February 5, 2019

Tom Fitzgerald, Deputy District Director
Maintenance and Operations
California Department of Transportation
District 1
P.O. Box 3700
Eureka, CA 95502

Mr. Fitzgerald and Staff:

The Board of Harbor Commissioners would like to recognize the California Department of Transportation's Maintenance and Operations Division for its assistance in cleaning debris from Anchor Way in the Crescent City Harbor District after the January 2019 storm. Your crew worked diligently alongside County and Harbor staff to get Anchor Way cleared after storm debris shut the road down. That work helped get the Harbor back up and running ahead of the busy crab season opener. The Board is eternally grateful for Caltrans' quick response to the Harbor's request for assistance.

On behalf of the Board, Harbor staff, tenants, visitors, fisherman, and the community, we thank you.

Sincerely,

Board of Harbor Commissioners
